

# Pastor Arrested in Pulpit For Influenza Violations

MURRAY, KY., Jan. 26. — (A. P.)—

Charging the Rev. H. B. Taylor with violations of influenza quarantine regulations, county officials tonight invaded the pulpit of the Murray Baptist Church and arrested him while he was delivering his sermon.

The turmoil created by this was further accentuated when it was announced that every member of the church who had attended the morning or night service will be held under arrest tomorrow.
