

60 New "Flu" Cases Are Reported in City

During the 42-hour period ending at 10 o'clock this morning, 60 new cases of influenza were reported to the health department, making a total of 2,102 cases recorded since the disease became epidemic. Ten pneumonia cases were reported during the same number of hours, making a total of 2,212. The number of new influenza cases is a trifle below last Monday's report.

The death report for the 48-hour period ending at 10 o'clock this morning showed that 54 people died from influenza and its complications. Nineteen died from pneumonia, 12 from influenza-pneumonia and 3 from influenza.
