WASHINGTON, October 1—Spanish Influenza continues to spread in the Army camps. More than 44,000 new cases were reported by the Surgeon-General during the twenty-four hours ending at noon today. This was an increase of 5,000 over yesterday's total of 39,000 cases. The total number of influenza cases, including those in the camps, is 97,932, and the death toll is 8,269. The committee of the Surgeon-General has reported the number of cases now under the care of the medical corps as 21,300. The Surgeon-General has ordered the evacuation of all troops from the camps to prevent the spread of the disease. The Surgeon-General has also ordered the evacuation of all troops from the camps to prevent the spread of the disease.

In the Army camps, the number of cases of pneumonia has increased to 7,629, with 5,692 deaths. The Surgeon-General has ordered the evacuation of all troops from the camps to prevent the spread of the disease.

APPEAR AT CUSTER—

Camp Custer, Mich., where influenza had not previously appeared, reported 1,827 new cases today, bringing the total to 7,300. Camp Custer is now the largest camp in the Army and has a population of 100,000 men. The Surgeon-General has ordered the evacuation of all troops from the camps to prevent the spread of the disease.

Influenza and pneumonia continue to increase at Camp Meade, Md., where the Surgeon-General has ordered the evacuation of all troops from the camps to prevent the spread of the disease.

In Boston, the Surgeon-General has ordered the evacuation of all troops from the camps to prevent the spread of the disease.

ALARM IN CHICAGO—

CHICAGO, October 14—Fourteen deaths and 270 new cases of influenza were reported in Chicago today. The Surgeon-General has ordered the evacuation of all troops from the camps to prevent the spread of the disease.

The Surgeon-General has ordered the evacuation of all troops from the camps to prevent the spread of the disease.

PESTONIA DEATHS FEW—
