FAITH PINNED TO MASES

Epidemic Will Be Averted by Wearing Gauze, in Opinion of Health Officer

The characteristic feature of the report made by City Health Officer
W. A. Hauser yesterday was the fact that there were only twenty-five new cases
of influenza reported in the city for the previous day. This was a marked
reduction in the number of cases reported for the past week, and
Health Officer said that the high rate of mortality during the past
few days was responsible for the recent decrease in the number of
cases reported.

Resuming the mask orders for the near future, as directed by
the Board of Health. The Health Officer said that the masks
were effective in preventing the spread of the disease.

FAITH TO BE OBSERVED

Reports from England, Spain and
from large cities in this country,
even when the disease seemed to
be out of control, it was found that
prevention such a flare-up was
the result of the faithful observance
of the general health laws.

“Prevention is better than cure”
the Health Officer said, and
the masks were effective in
preventing the spread of the disease.

“Wear the mask and prevent
the spread of the disease”
the Health Officer said, and
the masks were effective in
preventing the spread of the disease.
