ALL THEATRES ARE CLOSED FOR EPIDEMIC

ACTION TAKEN AFTER CONFERENCE BETWEEN CITY, STATE AND FEDERAL AGENCIES; APPLIES AT ONCE

Influenza Inroads Grow More Serious, Say Officials; 743 New Cases, 15 Deaths Reported

Three movie palaces, ballet halls, and all other places of amusement in San Francisco were ordered closed for an indefinite period at a meeting of the Board of Health last night in order to make a more successful control of the Spanish influenza epidemic.

Decisions also was reached to close the public schools of San Francisco and to prohibit the occurrence of public gatherings. The public schools have been closed for a week, but further notice will be given.

Private homes are included in the order and those who are suspected of having the disease are to be isolated.

All other places of amusement were ordered closed for the next 48 hours.

STE BRETTON MEETS TODAY. A board of health of the city of San Francisco has been called for today.

The order to close the public schools is in line with the order of the Board of Health of the city of San Francisco.

Influenza continues to spread rapidly in the city of San Francisco and the death rate is increasing.

U.S. DIRECTING CALIFORNIA FIGHT AGAINST INFIDELITY

WASHINGTON, Oct. 17—The country's battle against the Spanish influenza is being directed by the Department of Commerce, and the Department of Labor.

The Department of Commerce has issued a circular to the states, requesting information on the number of cases of the disease in each state.

The Department of Labor has issued a circular to the states, requesting information on the number of cases of the disease in each state.

The Department of Labor has issued a circular to the states, requesting information on the number of cases of the disease in each state.
