

# NO HEALTH IMPROVEMENT IN PITTSBURGH

(By Associated Press.)

Harrisburg, Nov. 6—The state department of health reported 2225 new cases of influenza in twenty-four hours and 987 deaths from influenza and pneumonia. Since October 1 there have been 35,723 deaths in Pennsylvania from these two causes.

A bulletin issued tonight says:

"The city of Pittsburgh and Allegheny county as a whole are not improving as rapidly as had been expected as 592 cases were reported in Allegheny county today of which 461 are in the city of Pittsburgh. Conditions in the city of Erie also continue bad, there being 187 new cases there today. Conditions are improving rapidly throughout Armstrong county and Washington county also shows improvement. Major William D. Turnbull, U. S. A., who has been on duty at a reconstruction hospital for tuberculosis at Azalea, N. C., has secured a temporary leave of absence and will return to the State Tuberculosis Sanatorium at Crescon where he was formerly in charge. Major Turnbull will relieve Dr. M. E. Cowen, the acting superintendent of the sanatorium who is critically ill with influenza."

# CAMP CRANE WON HANDILY FROM SUSQUEHANNA

Camp Crane won the foot ball game from the eleven of Susquehanna university on Muhlenberg Field yesterday afternoon by the score of 19 to 0. It was a fine contest the oneness of the score not indicating the merits of the game. The winners scored three touchdowns and one goal. The band of the camp was there to give color to the game and a large crowd witnessed the contest.

Dickinson College will play here next Saturday at 2.30 p. m. and the price of admission will be 50 cents.
