June 3, 1920.

My dear Admiral:-

Your letter of May 24, 1920 enclosing confidential communication from Admiral Jayne relative to comparative morbidity and mortality at the Training Camp, Mare Island and the Training Station, Yerba Buena Island, has been received.

I presume you have received the Bureau's letter enclosing comparative statistics, by this time.

With kind regard.

Very truly yours,

W. C. Braisted.
