

# 'FLU' RESTRICTIONS SLIGHTLY REMOVED

---

Dr. H. A. Lingenfelter, city and county health officer, and having full and complete authority as to quarantine rules and regulations, working in conjunction with the state board of health, today announces, regarding our quarantine and its restrictions, as follows:

Residents in the city of Durango and county of La Plata will hereafter, until further notice, be permitted to move their residence from one house to another provided a thorough fumigation has been made of all articles removed, such as personal effects,

household furniture, utensils, etc.

The railroad quarantine will not be lifted for some time.

The schools will not reopen until after the holidays, from present indications.

An outside health permit does not entitle anyone to enter the quarantine bounds of this county. To lawfully enter the bounds a permit from the local health officer is positively necessary.

You cannot leave this county and re-enter it, nor can you enter the county and leave it.
