OFFICE OF THE DEAN OF THE COLLEGE

November 5, 1918

My dear President Thomas:

I will attempt to speak on William Penn in chapel on Thursday unless I find that Mrs. Lingelbach or Dr. David have more information than I on the subject.

I am sorry that Miss Barbara Clarke has not been informed by the Conscription Board that she need not be conscripted for war work until she had made up her college work and then wrote her a letter a copy of which I enclose. She agreed entirely that students who have had the Influenza should not be required to be conscripted for war work until they had made up all of their college work.

Yours very sincerely

*Helen Taft*  
Dean of the College
