

29 NEW CASES

— Pa —

Twenty nine new cases of influenza have been reported to the city hall since Saturday's published list. A few of them are from the suburbs. Burrell Hitchcock calls attention to the erroneous report of his wife's illness. He says only the two children are ill. The error will be corrected on the books. The new cases bring the total to 796 in city and environs and 424 to the city proper, with a total of 69 deaths to date.

Mayor Grant is on duty again, not being a flu victim.

The list:

December 20
