Ladies and Gentlemen:

Erminio Chavez, Sr., Sociologist, has been preaching danger, since last November, to both the Red Cross Society and the leading papers of your city; but in vain. This having been so, and having no newspaper of his own, has printed the enclosed substitute of the notorious mask.

He is willing to help, to the best of his ability, to refund the money which by force of arms has been collected.

In the meantime, please see Quinine and its virtue.

Very Respectfully,
Erminio Chavez, Sr.,
1236 Park St.,
Alameda.

To the
Board of Health of San Francisco,
Cal.
