

# *Marysville Saloons Are Ordered Closed*

Special Dispatch to The Chronicle.

MARYSVILLE, November 7.—Be-  
cause several saloon owners of this  
city broke their word of honor not  
to permit persons inside their saloons  
during the influenza epidemic the City  
Council has ordered all selling of  
alcoholic liquors stopped.

The saloon keepers recently met  
and agreed to close voluntarily, but  
it was alleged several of them did  
not live up to the agreement and it is  
claimed there were more drunken  
men on the streets than before the  
places closed.
