

SAN FRANCISCO HOLDS ITS CHURCH SERVICES IN OPEN AIR TO AVOID CONTAGION

AT TOP IS SHOWN BISHOP NICHOLS conducting the services of Grace Episcopal Cathedral on the lawn fronting the Divinity School. Below are shown the worshippers on the steps of St. Mary's Catholic Cathedral, a vast crowd, some of them kneeling in the street. The insertion shows three of the women congregations assembled in a picturesque setting under the oak trees of Calvary Cemetery to attend mass.—Photo by International Film Service.
